

Youth Consultancy Service for immigrants aged 12-27 years in Bonn

We offer consulting

- for any inquiries regarding school, work & family
- for questions about the law of residence/ residence permits
- for questions about your financial situation

We support you

- in finding and registering for an integration/language course
- in looking for work, school, apprenticeships, internships

We help you

- recognising your professional qualifications/ school certificates that were obtained abroad
- writing a CV/ application forms/ cover letters
- filling in official documents and papers
- contacting your local jobcenter, immigration office (Ausländeramt), social welfare office (Sozialamt) and other authorities

We provide information

- regarding your school- and career options in Germany

We offer projects

- in cooperation with schools for democracy building, personality development and primary preventive radicalization projects

We co-operate closely with the youth centre St. Cassius.

Our services are **free of charge**.
